A1Learning

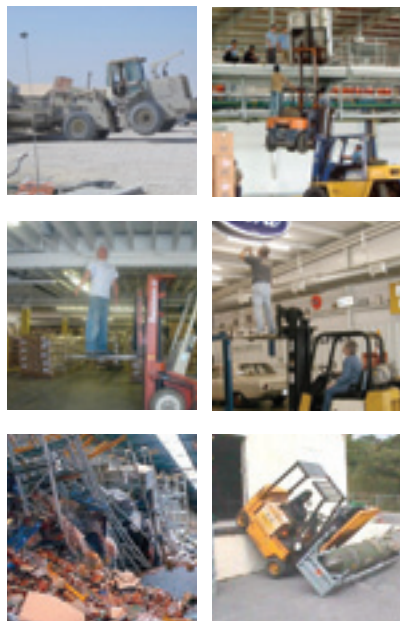

Training for the workplace

ARE ALL YOUR MATERIALS HANDLING OPERATORS TRAINED AND LICENCED ?

A1 Learning can assist you and your employees maintain OH&S compliance.

We offer on-site training and licencing/certification of operators of all types and brands of:

- Forklifts (LF class licence)
- Stockpickers/Orderpickers (LO class licence)
- "Walkie" Stacker Forklifts
- Electric Pallet Trucks
- Pedestrian operated Material Handling Equipment.

Specialist training courses or pre-assessment training conducted by A1 Learning is typically

“High impact and short duration”

(1 - 2 hours) to minimize disruption to operational staffing.
